

Kenny Skaflestad

Alaska State House of Representatives
District-2

1. Eliminate sexual assault and domestic violence. Sponsor and support laws in pursuit of elimination.
2. Legislature and government have duty to outlaw abuse and violence. Also, insure robust prosecution and victim services. Pursue local government alliance.
3. Not adverse to sensible funding increase for services well vetted.
4. Tribes encouraged to participate in public policy development as pertains. Every citizen deserved of services regardless of race or affiliation. If more natives served as a result of disproportion, then so be it.
5. Make penalty for violence within presence of minor an added and serious offense. Incentivize foster and special foster participation.
6. Make it a serious crime.
7. No funding for elective abortion except for established cases of rape, incest or sexual abuse.
8. Local government advocacy and planning. Incentive based State funding assistance.
9. Tribes and local government to unify in robust implementation of ICWA and other programs. Legislature to develop incentive based grant funding for assistance to local effort.
10. Better define "abuse" per law. Prosecute or counsel accordingly.
11. Most are under-funded and ill equipped. Need supplemental finding and support.
